Here are some comments of a few of our advertisers

I am extremely happy with the service that we have received. Since advertising with you my website hits in the first 2 weeks increased by nearly 600 and after 3 weeks by 1,000. Normally I have about 50 hits on the website per week. I have about 10 new customers already booked in to meet following the advert

I advertised my new Pet Shop in The Fiveways Directory and I have definitely had lots of new customers due to the advert and editorial that we ran in the Directory for 3 months.

Advert design

If you do not have an existing advert we are able to offer you a design service. Ad design fees are between £10 and £20 and you will be given a CD of the artwork made, which becomes yours to use wherever and however you want.

How do I book an advert and what about deadlines?

Deadlines are dictated by the printer and are strict! All artwork must be in by the 15th of the month before you'd like your ad to appear. For example, for the March issue we must receive copy by February 15th at the latest. It really couldn't be easier.
